MEMORANDUM FOR: Deputy Director of Central Intelligence

FROM: Chief, Interdepartmental Affairs Staff, OPP

SUBJECT: NSC Meeting [ ]

25X1

1. We have not been successful yet in ascertaining what the focus of the Civil Defense discussion will be at tomorrow's NSC meeting. I have asked [ ] staff to try to smoke it out. Meanwhile, Charlie's staff provided a short point paper on IC efforts in the area of emergency preparedness, although I believe you are on top of this topic already. I will pass you any details we may get on this agenda item. [ ]

2. Regarding the MODE topic, I tasked ICS to prepare the book for you. I was told subsequently that [ ] will give you his material this afternoon at the CHB. In addition, Maury Lipton provided the attached material, which he discussed with you earlier today when we thought the DCI would be attending the meeting. It probably does not tell you anything you do not know already. [ ]
